of the Commission for Teacher Preparation and Licensing

FROM: Peter L. LoPresti, Executive Secretary *PL*

SUBJECT: Title 5 Regulations, California Administrative Code,  
Health Education Unit Requirement

The Commission for Teacher Preparation and Licensing has approved and adopted the following regulations in Title 5 of the California Administrative Code relating to Health Education Unit Requirement. These regulations have also been approved by the California State Board of Education.

Adopts new Section 5921.1 as follows:

5921.1. Health Education Unit Requirement. The health education unit requirement specified in Education Code Section 13132.5 shall be required of each applicant for a full or clear teaching credential issued in accordance with the provisions of Section 13130 of the Education Code. This requirement may be satisfied by a course of study of at least one semester unit or its equivalent, which may be offered as a separate course or as part of a related course of study, offered or accepted by an accredited community college, college, or university. This required program of study shall not be required as part of the professional preparation defined in Section 13103(d) of the Education Code. The teacher education institution recommending the applicant for a full or clear credential shall certify the applicant has completed satisfactorily the required course of study.
